

Incident Protection

How to receive a reimbursement through the Golf Canada Incident Protection program

Within ninety (90) days of the date of loss or date of incident, the Golf Canada member must initiate the process by contacting Golf Canada Incident Protection at 1-844-684-GOLF (4653) or by email at incidentprotection@golfcanada.ca.

Once the process has been initiated, the member will be asked to complete the Loss Form, which can be found at golfcanada.ca/incidentprotectionform. Furthermore, the member may be asked for additional documentation such as any applicable receipts, proof of purchase or police reports from the incident.

To learn more, please see the terms and conditions at golfcanada.ca/incidentprotectionterms.
