Dear GoodTree LLC,

Thank you for your generous donation of \$203.94 to Action Against Hunger. Your gift contributes directly to our lifesaving programs. Action Against Hunger has been working hard to respond to emergencies and save the lives of children and families suffering from malnutrition while seeking long-term, sustainable solutions to hunger and your support makes a tremendous difference around the world.

In 2006 Action Against Hunger addressed a malnutrition crisis in Kenya, developed innovative approaches to food security in Ugandan refugee camps, helped people affected by the 2005 earthquake in Pakistan survive another winter, and continued to support rebuilding efforts in tsunami-affected South-East Asia. Despite major challenges to our efforts in places like Sri Lanka and Darfur, we have reached more than 4 million people with lifesaving programs in the past year alone.

Yet with 850 million people suffering from hunger and more than 1 billion people without access to safe drinking water, there is still much work to be done. Many tragedies slip below the media's radar, leaving countries such as Uganda, Nepal and the Philippines with little public attention and, as a result, less international support. We continue to work in these and more than 40 other countries where vulnerable populations face hunger and poverty everyday.

Your \$203.94 gift, received on 1/1/2007, is 100% tax-deductible and no goods or services were provided to you in return.
