Dear Ms. Bricknell,

Thank you for your December 29, 2006 gift of \$196 to the Center for Victims of Torture. I'm pleased to welcome you as a new Friend of CVT, and I'm deeply grateful for your support.

In our work here, we are privileged to witness the transformation that our clients go through. When new clients come to CVT, they sit anxiously as they wait for appointments with our staff. As they progress through the program of care, they begin to smile just a bit when a staff member or volunteer greets them. And as they near the end of the care program, that tentative smile is replaced by a broad grin and a hearty handshake.

Such simple evidence reassures me that we're making a difference. And we're able to make this difference because of your kind support. Your generosity and compassion inspire all of us.

Sincerely,

Douglas A. Johnson  
Executive Director
