Dear Friends,

What a truly special time of year this is. As I write to extend my deep appreciation for your partnership and support, I want you to know that you have helped make 2006 a landmark year for Habitat for Humanity.

Thank you for your recent and generous gift in the amount of \$340.04. I assure you that we will be good stewards of these funds and that we will use them wisely to build hope, homes and communities.

Because of the generosity of people like you, Habitat for Humanity has completed more than 30,000 houses this year alone, serving more than 150,000 people in need of a simple decent home and providing them not only with a sturdy roof over their heads, but also hope for a brighter future! To date, Habitat has completed more than 200,000 houses, serving more than one million people worldwide in our effort to eliminate poverty housing.

As we close this milestone building period and look forward to our 31st year of building homes in partnership with people in need of a simple, decent place to live, I want to thank you again for your support of our mission. Together, we will continue to improve the lives of families and to strengthen the framework of communities everywhere. Your official receipt is enclosed.

In grateful partnership,
