Dear NRDC Member,

Thank you for your contribution of \$343.04 to the Natural Resources Defense Council.

Your gift could not have come at a more crucial time. It will be put to work right away in our top-priority campaigns to ensure the survival of the polar bear -- the first major species to face extinction as a direct result of global warming; go to federal court to block the Bush Administration's escalating attempts to open our last wild places to drilling, logging and mining; and defend whales and other marine life from dangerous military sonar

I will be sure to keep you updated on these and other critical environmental campaigns. Thank you again for your generous support.

Sincerely,

Frances Beinecke
President
