Dear Friends,

Thank you!

Your gifts have helped poor families tackle poverty head-on and create lasting solutions to the problems at the heart of their suffering.

In 2006, your generosity reached survivors of the deadly Indonesian earthquake, displaced families in Darfur, Sudan and suffering refugees in northern Kenya. Through CARE, you gave people in need the emergency relief and long-term help they needed.

In fact, you helped make possible literally hundreds of poverty-fighting projects around the world. Much of the work happened far from the world's headlines. But when you think of the girl in Afghanistan attending school for the first time, or the baby in Sierra Leone no longer at risk of dying from drinking unsafe water, you know that "less visible" doesn't mean "less important".

The enclosed giving record shows your contributions to CARE through December 31, 2006, which are tax-deductible to the extent allowed by law. You may use the total gift amount as part of your itemized deductions for line 13, Schedule A of your 2006 Individual Federal Income Tax 1040 Form. If you have any questions, please call us at 1-800-422-7385, or e-mail us at info@care.org.

Thank you again for your generosity. You're making the world a better place!

Gratefully,

Helene D. Gayle
President

P.S. Use the enclosed giving record when you're preparing your taxes for 2006. And, if you can, send another gift to CARE today. The need is still great, and there are still so many men, women and children we need to reach!
