Through your support, we will also address national efforts to improve access to health care, provide better affordable housing options, and to serve as a voice for the voiceless. Together, we will strive to provide charity and justice to more than 37 million Americans, including individuals, children, and families, who are living and struggling in poverty.

Your compassion for those least among us is deeply appreciated as we launch our *Campaign to Reduce Poverty in America* in partnership with local Catholic Charities agencies, and other social service agencies, the faith community, government leaders, the business community, and others of good will.

Thank you again for sharing our commitment to this responsibility and for your compassion which enables Catholic Charities USA to bring blessings to those most in need of help and hope.

Gratefully,

Rev. Larry Snyder
President
