

In an early effort to kickoff Catholic Schools Week and to encourage community and parish stewardship, we would like to introduce a way for students to make a difference to those in the community and their parish...

St. Francis Xavier/ St. Mary Parish Service Boards

It is never too early in our faith to teach service and ministry across generations! We are looking for **caring Notre Dame Middle School students** who would be willing to help the **St. Francis Xavier or St. Mary's members** who are in need. Parish request for help will come in through service boards located in the back of the churches. Needs will be collected by a coordinator who will then notify the Student Service group through the Sign Up Genius. If he/she can help out, great! Parents of interested students will also be notified of potential service project and all the details including supervision to ensure commitment and safety.

Just fill out the form below to be added to the Student Service group and to be notified of parishioner service needs.

Student Name: _____

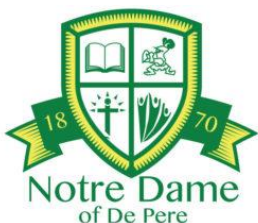

Grade: _____

Student Email: _____

Parent Contact Name: _____

Parent Email: _____

**Jesus Taught
us how to
Serve Others**

Thank you!
