Making a Difference!!

"If you want to touch the past, touch a rock. If you want to touch the present, touch a flower. If you want to touch the future, touch a life." – Author Unknown

Please come and be a volunteer - be someone who wants to touch the future by touching the lives of our students. In the family folder that will be coming home on May 15 will be a form for those who would like to be a STM volunteer. This form will provide us with the information that will show us what you might be interested in doing. Once we have this information we will be establish a volunteer list. Next fall we will send home a form requesting information on your availability. Finally we will put together a schedule for all volunteers. The more people we have who are willing to spend time helping our students and teachers the more we can accomplish. God bless you for your willingness to help.

How often do we thank all the people who do the little things or do we take them for granted and only thank those who make a big change. As a teacher here at STM I find myself noticing the "big things" but not always the "little things" and I asked for permission to recognize students not only for the "big" accomplishments, such as Science Fair Winners, Athletic Wins, Math Bowl participants, etc. but also for the little things. I was granted that permission. This week I would like to applaud **Tristan Forbes** for taking the time to clean up the floor around the garbage cans in the lunchroom. Now to some this may seem unimportant but when students are emptying their trays I need to regularly ask them to pick up what they have dropped on the floor.

When **Tristan** approached the area he noticed the food scraps were on the floor, stopped, picked them up, and went back to his table. He did not expect a “thank you” or round of applause but he certainly made a difference for the people who clean the floors. Thank you **Tristan**, you did make a difference and are

Grade said yes. Because St. Peter/Paul parish is a rest/food stop for the Walk to Mary on May 4 the students made sandwiches for those that walked.

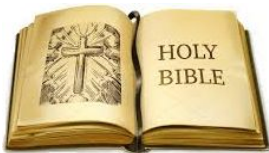

appreciated.
