

“I Shall Not Want”

Phil. 4:11-13

1. I wonder if sheep ever get occupied looking at the green grass across the barbed wire fence and never notice the beautiful green grass right under their noses.
2. Sheep may not do it, but WE definitely do it, don't we? Imagining our lives could be better, richer, fuller because we haven't cultivated the three things that God supplies in abundance through Jesus Christ: PEACE, JOY, CONTENTMENT.
3. As Psalm 23 is a wonderful metaphor for the way the Lord supplies those things, Philippians 4 is a wonderful place to go to talk about the way we grasp those things.
4. Here's 7 ways to cultivate peace, joy, and contentment in your life:

I. _____ in the _____ (4:1)

II. Make _____ a _____ (4:2-3)

III. Let _____ be _____ (4:4)

IV. Exemplify a _____ of _____ (4:5)

V. Embrace _____ (4:6-8)

VI. Follow _____ (4:9)

VII. _____ in the _____ (4:13)
