ARRIVAL IN GLASGOW
Arrive and meet with your coach and driver.

PANORAMIC TOUR OF GLASGOW
Discover Glasgow, Scotland’s largest city, with a panoramic city tour. From the magnificent St Mungo Cathedral to the People’s Palace and Glasgow Green, explore Glasgow rich past as a religious centre and one of the most important industrial cities in Britain. The Victorian architecture of the centre offer a striking contrast to the extensive parks of the West End. Among those, Kelvingrove offers a haven of peace in the city, with amazing views on Glasgow University’s striking buildings and the Kelvingrove Museum. It is not hard to imagine why Glasgow is home to Scotland’s most celebrated architect: Charles Rennie Mackintosh.

Then we will visit Glasgow Cathedral

GLASGOW CATHEDRAL
Glasgow Cathedral is also known as the High Kirk of Glasgow, St Kentigern’s or St Mungo’s Cathedral. Standing majestically in the heart of Scotland’s largest city, it is the only medieval cathedral on the Scottish mainland to have survived the Protestant Reformation of 1560 virtually intact. There used to be a chanonry around it, a precinct where the bishops (and later archbishops) and clergy had their residences. To its south, a thriving burgh sprang up, under episcopal patronage. That burgh has since expanded into the great metropolis we see today.

Overnight, dinner, bed & breakfast at our hotel in Glasgow. (D)

Day 3  Thu, September 19

GLASGOW
This morning we will visit Summerlee Museum

THE SUMMERLEE MUSEUM
The Summerlee Museum incorporates Scottish industrial life in the 19th century. It temporarily closed in 2006, but reopened on 26 September 2008 following a modern refurbishment and amazing array of social history and interactive displays. Built on the site of the old Summerlee Ironworks in Coatbridge and the main workshop contains the former Hydrocon Crane, an operational heritage tramway, a recreated mine with guided tours, miners’ cottages and an exhibition hall with working machinery.

Then we will visit Bothwell Castle

BOTHWELL CASTLE
Bothwell Castle is roughly rectangular in shape. Its west end is occupied by the remains of the massive circular donjon or keep. The east end of the castle comprises the great hall and the south east tower. The angle behind the great hall was, until about 1700, home to the north east tower, a large square tower built in about 1400 to replace the siege-damaged donjon and considerably taller than the surviving south east tower. Only its base survives.

Return to overnight, dinner, bed & breakfast at our hotel in Glasgow. (B,D)

Day 4  Fri, September 20

DAY TRIP TO AYR

CULZEAN CASTLE
The interior of the castle is very grand in terms of scale and furnishings. A large number of rooms are open to the public and you seem to see most of the castle with a tour that takes you through 10 major rooms and then out through the servants' quarters / kitchen. Visitors to Culzean are welcome to tour the castle independently. There are guides in most rooms who are always happy to answer questions. They also provide information sheets in each room Organised groups may arrange a guided tour of the castle. This must be done in advance by contacting the Reservations Secretary.

Day 5 Sat, September 21
GLASGOW – OBAN
This morning we depart Glasgow for Oban.

INVERARAY JAIL
Inveraray Jail is a living museum and visitor attraction where real people portray life in a 19th century prison. This award-winning attraction has established itself as one of Scotland's most exciting heritage attractions. Visitors can sit in the restored 1820s courtroom with lifelike models and listen to excerpts from trials of the past before passing on to the prisons below, and meeting with the Warder, Matron and Prison Guides, all dressed in period costumes.

We proceed to our hotel. Overnight, dinner, bed & breakfast at our hotel in Oban. (B,D)

Day 6 Sun, September 22
ISLE OF MULL AND IONA
This morning we travel to the islands by ferry. Our first stop will be the Isle of Mull.

ISLE OF MULL
Mull is the fourth largest Scottish island and has an area of 338 square miles. It has been inhabited since around 6000 BC and in the 14th century Mull became part of the Lordship of the Isles. After the collapse of the Lordship in 1493 the island was taken over by the clan MacLean, and in 1681 by the clan Campbell. The island is home to over 250 different bird species including the White-tailed Eagle, Minke Whales, Porpoises and Dolphins are among the sea life that can be seen on boat tours from Mull.

IONA
In 563 Saint Columba, exiled from his native Ireland, founded a monastery on Iona with 12 companions. From Iona they set about the conversion of pagan Scotland and much of northern England to Christianity. Iona is three miles long and a mile and a half long and has been a place of pilgrimage for 1500 years. Iona differs much from Mull, there are no tall mountains but instead there are some lovely white beaches.

Lunch will be provided today. We end the day back at our hotel in Oban. Overnight, dinner, bed & breakfast. (B,L,D)

Day 7 Mon, September 23
OBAN – FORT WILLIAM
This morning we depart Oban for Fort William, making the following visits en route.

McCAIG’S TOWER
Located on Battery Hill overlooking the town of Oban, the structure was built by a wealthy architect named John Stuart McCaig in 1897. Admirer of Roman and Greek architecture McCaig’s intention was to provide a lasting monument to his family, and provide work for the local stonemasons during the winter months. He had planned for a museum and art gallery and a central tower. Inside the central tower he planned to commission statues of himself, his siblings and their parents. But his death brought an end to the construction and only the outer walls completed.
CASTLE STALKER PHOTO STOP
The castle is a four-story tower house or keep set on a tidal islet on Loch Laich. The name “Stalker” comes from the Gaelic Stalcaire, meaning “hunter” or “falconer” as it was used by James IV as a hunting lodge in the 14th century. In recent times, the castle was brought to fame by the Monty Python team, appearing in their film Monty Python and the Holy Grail.

VALLEY OF GLENCOE
The valley is a glen of volcanic origins in the Scottish highlands and is considered one of the most spectacular and beautiful places in Scotland.

We then proceed to Fort William where we overnight, have dinner, bed & breakfast at our hotel. (B,D)

Day 8 Tue, September 24
FORT WILLIAM – ISLE OF SKYE – INVERNESS
This morning we depart for the scenic journey to Inverness, first travelling to Mallaig for the ferry to Armadale on Skye.

ARMADALE CASTLE
Built between 1815 and 1819 by the Mac Donald's but today it is part of the excellent Donald Clan Centre. The massive estate is 20,000-acre with magnificently restored historic gardens, as well as superb walking trails through the woodlands around the castle ruins.

We next cross to Kyle of Lochalsh by the Sky Bridge, constructed over Loch Alsh spanning between the villages of Kyleakin on Isle of Skye to Kyle of Lochalsh on the mainland. Next we will visit famous Urquhart Castle.

URQUHART CASTLE
Urquhart Castle offers a taste of the Highlands at their most dramatic. Discover 1,000 years of drama, experience a glimpse of medieval life and enjoy stunning views over Loch Ness from the ruins of the greatest castle in the Highlands. Urquhart’s stories are also told through a remarkable collection of artefacts left by its residents, historic replicas, including a full-sized, working trebuchet siege engine. The castle has a distinctly Highland heritage and the site has witnessed some of the most dramatic chapters in our nation's history. It is here that St Columba is said to have worked miracles in the 6th century, where acts of chivalry and defiance provided inspiration during the Wars of Independence and where the MacDonald Lords of the Isles struggled with the Crown for power.

Finally we continue to Inverness. Overnight, dinner, bed & breakfast at our hotel after a long but spectacular day. (B,D)

Day 9 Wed, September 25
INVERNESS – AVIEMORE
Today we will explore Inverness and Aviemore.

CULLODEN BATTLEFIELD
Scene of the 1746 Battle of Culloden between the Jacobite and the British armies. As the last battle being fought on British soil, Culloden marks the beginning of the dismantlement of the structures of Highland society. In the aftermath of the battle, kilts and tartans were banned. Visit the innovative exhibition featuring interactive characters involved in Culloden's events - helps guests follow Culloden's events in a more interesting way. Feel firsthand what it was like to be involved in the battle through our immersion theatre with 360º fighting action.

Then we will visit the Glenfiddich Distillery.

GLENFIDDICH DISTILLERY
Set in the heart of the Highlands, Glenfiddich (meaning ‘Valley of the Deer’ in Gaelic) is a place of breathtaking beauty. Glenfiddich is little changed since 1866, when William Grant and his nine children rolled up their sleeves to build the Distillery with their bare hands. These same silent warehouses and steamy mash rooms produce the world's favourite single malt Scotch whisky today. Feel the heat rising from the mash tun and discover the giant washback's, hand-made from Douglas fir and five metres high. Experience one of their traditional warehouses - whose earthen floors, stone walls and age-old atmosphere nurture this famous whisky to life.

Overnight, dinner, bed & breakfast at our hotel in Inverness. (B,D)

Day 10 Thu, September 26
INVERNESS – PERTH
This morning we depart from Inverness for Perth.

LEAULT WORKING SHEEPDOGS

Possibly meet the friendly collie pups, help to shear a sheep and bottle feed orphan lambs.

Finally we continue to Perth. Overnight, dinner, bed & breakfast at our hotel after a long but spectacular day. (B,D)

ST. ANDREWS CATHEDRAL
The remains of St Andrews Cathedral, which was Scotland's largest cathedral and most magnificent church, show how impressive it used to be. The museum houses an outstanding collection of early and later medieval sculptures and other relics found on the site, including the magnificent St Andrews Sarcophagus of Pictish date. The precinct walls are particularly well preserved.
