### *Cape Town City Tour Half Day*

On a clear day from the summit of Table Mountain you get spectacular views of the City, its Waterfront, Camps Bay, the majestic Hottentots Holland Mountains to the East and the mountains of the Cape Peninsula all the way down to Cape Point to the south.

The Table Mountain cableway, a must for all visitors to the Cape, boasts revolving floors, giving passengers a 360 degree view. After descending the mountain, you will depart on a tour of the “Mother City” taking in Signal Hill – where the Noon Day Gun is fired at midday, every day except Sunday – through the colourful Bo-Kaap or Cape Malay Quarter, past the Grand Parade, City Hall and the Castle of Good Hope and South African Cultural History Museum.

### *Table Mountain Cableway*

A trip up Table Mountain is quite rightly one of the first things a tourist wants to do when arriving in Cape Town. Once on the top, a 1000m above the city below, you are rewarded with spectacular 360 views. Take your time and enjoy this unique environment, go for a walk or have a bit to eat at the restaurant with arguably one of the best views possible.

### *V&A Waterfront*

Situated between Robben Island and Table Mountain in the heart of Cape Town's working harbour, the V&A Waterfront has become South Africa's most visited destination. Set against a backdrop of magnificent sea and mountain views, exciting shopping and entertainment venues are intermingled with imaginative office locations, world-class hotels and luxury apartments. The Waterfront is the heart of the tourist industry in Cape Town.

***Cape Winelands Half Day Tour***

From Cape Town make your way out into the picturesque wine lands visiting South Africa's most famous wine regions – Paarl, Franschhoek and Stellenbosch. Aside from the excellent wines the area is renowned for its food and is steeped in history such as the Taal monument, various museums and the contribution of the French Huguenots. There are also many attractions you wouldn't expect to find on a wine route, from butterflies to cheetahs and pretty much everything in between.

***Robben Island Prison***

This notorious prison is located on an island seven kilometres off the coast of Cape Town in Table Bay. It is where Africa's political prisoners were kept during the colonial and Apartheid years of South Africa.

***Hermanus Tour Full Day***

From August to December Hermanus is arguably the world's most exceptional whale viewing destination as these giant beasts wallow in the deep waters below the cliffs, at times only metres from the shore. Highlights of a Hermanus Day Trip include the scenic coastal drive along the eastern shore of False Bay, the Harold Porter Botanical Gardens and the popular beach resort of Hermanus, where hopefully the whales will awe you.
