Condition:	Used	Number:	5803699
Location:	Chattanooga, TN, United States		

Sea Horse

Sea Horse is a freshwater 540MY moored in a boat house on the Tennessee River,

This amazing Yacht has spent the past 15 years protected from the sun and elements in her private boat house with the current owner. This advantage shows in the shine and the absence of deterioration of many exterior components. Washed and waxed regularly keeping it truly one

of those amazing barn finds sought after by so many boaters wanting a large Yacht with CAT power without having to spend a million dollars. Sea Horse will make someone a proud owner in a stylish yacht without breaking the bank. The boat is easily navigated to the Gulf of Mexico from current location by river system.

Notable features are fiberglass hardtop with skylight hatches. Enormous master stateroom mid ship with private separate head and shower access. 3 stateroom 2 head arrangement. Layout is salon / galley open floor plan with lower helm pilothouse design immediately forward with inside steps access to the bridge. Features a hydraulic swim platform, an auxiliary 5kw generator, and a new flybridge stereo featuring a Fusion head unit, and new amps.
