

CARVER YACHTS 396MY – Sea P. A.

Make:	CARVER YACHTS	Boat Name:	Sea P. A.
Model:	396MY	Hull Material:	Fiberglass
Length:	39 ft	Draft:	3 ft 6 in
Price:	\$ 175,000	Number of Engines:	2
Year:	2002	Fuel Type:	Diesel
Condition:	Used	Number:	6218769
Location:	Harrison, TN, United States		

Sea P. A.

This is a popular aft-cabin Motoryacht notable for dramatic styling, enormous interior, full beam salon which is the focal point of the entire boat. Which boasts almost 7 feet of headroom. Hardtop aft deck with acrylic wing doors protect the aft deck from the elements. Huge bridge with centerline helm station, wrap around seating, wet bar and full canvas enclosures. Powered with twin Cummins 370 hp Diamond series engines provides seamless smooth travel and complimented by a Kohler 10kw generator.

The Carver 396 Motor Yacht is striking and spacious. By raising the gunnels, Carver has opened up the cabin, stretching it the full width of the 13-foot 11-inch beam. Because the salon, and galley are all part of one "great room" concept, guests are given the freedom to roam. Plus, the two-tiered window system provides perfect line of sight outdoors, whether seated on the plush salon furniture, or while preparing meals in the fully equipped, casually sunken galley. Below deck, the aft master stateroom has incredible amounts of storage, a queen-size, inner-spring island berth, and a private head complete with separate head and shower compartments. The forward guest stateroom has a queen-size island berth with an inner-spring mattress, and a split head arrangement with separate shower and water closet. When it's time to spread out, passengers will appreciate the approximately 73-square-foot aft deck protected by standard wing doors, hardtop, and integral stairway leads to the yacht's command bridge with seating for six, and a centerline helm for maximum visibility.

FRESHWATER ALWAYS UNDER COVERED SLIP AND EXCEPTIONALLY CLEAN
