**Lady Jacqueline**

**HIGHLY MOTIVATED SELLER BRING ALL OFFERS**

This classic Hatteras 45 Convertible "Lady Jacqueline" has been a proven tournament winner and has been professionally maintained for many years. She has been featured in numerous publications including Marlin Magazine and several local Gulf Coast publications. Also, she has been featured in TV and Fishing shows along the coast. The current owner purchased this boat
from a wonderful family that was going thru some health issues. "Lady Jacqueline" has remained the name of the boat to honor Mrs. Jacqueline. The "Lady Jacqueline" has earned a strong reputation with local fisherman, from around the Southeast US, and along the Gulf Coast. This 45 Hatteras features the UPGRADED Johnson & Towers 6V-92TA's with 570hp which have the more desirable single wet turbo. Also, upgrades from Hatteras in the Salon area featuring extra cabinets, Wet Bar and teak / cherry wood throughout. The replaced Northern Lights Lugger 7kW generator is ample to power all systems on board. The OPTIONAL Master Queen berth is an upgrade from the original twin bunks often seen in boats of this vintage. If you're looking to continue a winning tradition jump aboard the "Lady Jacqueline" and start fishing tomorrow.

Drive Type: Direct Drive
Location: Starboard

**Notable Options & Electronics**

- Twin Johnson & Towers 6V-92TA's with 570hp
- Northern Lights Lugger 7kW Generator Model M773LW2.3
- Dual Raymarine C140W Widescreen Multifunction Display GPS Chartplotter / Radar / Fish Finder with Custom built housing for Electronics
- Raymarine Open Array 4kW 48nm Radar
- Raytheon Pathfinder R80 Closed Array 4kW 48nm Radar
- ICOM VHF Marine IC-M604
- Back-Up Hand held VHS ICOM
- SIMRAD AP28 Autopilot
- ICOM SSB Radio with Auto Tuner
- Engine Synchronizer
- Data Marine Depth Meter
- Data Marine Speed / Distance Meter
- ACR Remote Controlled Spotlight
- Danforth Compass
- Lewmar Windlass with Stainless Steel Roller Assembly
- Kenwood KDC MP238 AM/FM/CD Player / IPhone / IPad Player with 4 Speakers
- LED Spreader Lights Total 4
- Custom Cobia / Tuna Tower with NO CONTROLS
- Rupp Double Spreader Outriggers
- Transom Tuna Door
- Underwater Lights Blue / White
- 4 Sided Full Enclosure with U-Zips
- Custom Cockpit Shade
- Cockpit Combing Bolster
- Trim Tabs
- Sony Bravia Flat Screen TV Main Salon
- Onkyo 6 Disc DVD Changer DV-CP704
• Onkyo AV Receiver WRAT (Wide Range Amplifier Technology)
• Sea King Satellite TV System
• Kenmore Elite Microwave Oven
• Galley Maid Empress 4 Burner Cooktop with Oven
• Full Sized Frigidaire Refrigerator / Freezer
• Sharp Flat Screen TV with DVD Player Master Stateroom

**Hardware & Miscellaneous**

• All hardware chrome on brass or stainless steel
• Anchor, anchor line, anchor chocks and deck hawse pipe
• Two stern and four spring line cleats
• Bow chocks and cleats
• Stern hawse pipes
• Stainless steel rails on foredeck and flying bridge
• Stainless steel handrails for side decks
• Stainless steel flying bridge ladder
• Teak and stainless steel flying bridge ladder
• Teak and stainless steel cockpit boarding steps
• Fog bell
• Boat hook
• Horns
• Zincs on rudders and shafts
• Trim tabs
• Bow and stern staffs with ensign and pennant
• Mooring lines
• Offshore Life preservers (6 adults, 2 child)
• Throwable Life ring with throw rope
• ARC Global Fixed EPIRB
• Day / Night Visual Handheld Flares 12 Gauge Aerial Signal
• Water-Activated Strobe Lights
• Two REVERE Coastal Compact Life Raft, 4-person each
• Parachute Sea Anchor (Para 18)
Engine Compartment & Bilge

- 12 volt DC caged light in engine compartment
- 110 volt lighting engine room
- 7 gallon hot water heater
- Twin diesel engines with marine gears, freshwater cooling, alternator, fuel filters, sea water strainers, exhaust silencers, and engine hour meters
- Engine compartment fire extinguishing system with automatic and remote manual controls
- 7kW diesel freshwater-cooled generator with remote start, sea water strainer, hour meter, water lift muffler, sound shield
- Freshwater pressure system with electric water heater and water fill hose for engines and generator
- Dockside water pressure-reducing valve
- Three electric bilge pumps and one portable bilge pump
- Engine compartment blowers
- Fire extinguisher
- Sea valves on all underwater through hull fittings with electrical bonding throughout
- 2" stainless steel propeller shafts
- Bronze rudders and struts with rubber strut bearings
- Propellers
- Sewage holding tank, plumbed for dockside discharge
- Racor remote mounted water / fuel separators, main engines and generator
- Dripless shafts logs
- Oil Change main engines / generator
- On board diesel fuel polishing system

Electrical System

- Four heavy-duty marine, 8D 12 volt batteries with 12 volt automatic battery charger
- Battery paralleling system with switch at main helm station
- 120 volt and 240 volt AC electrical inlets and shorelines
- 12 volt and 120 volt lighting fixtures
- 120 volt duplex electrical outlets
- Electric control panels and distribution panels with magnetic circuit breakers, volt meters, ammeters, and battery condition meter
• Ground fault protected AC lighting and receptacles
• Navigation lights
• Systems monitor: Visual and audible signal for engine oil pressure, AC voltage monitor, high bilge water, fire warning in engine compartment ad living areas, and fire extinguisher system discharge
• SSB radio ground screen laminated in hardtop
• DC electronics panel

Flying Bridge

• Molded fiberglass
• Large seating area cushioned with vinyl covered polyfoam
• Control station with all necessary switches and dimable lighted instruments
• Compass with dimmable light
• Helmsman seat
• Dual lever controls
• Windshield
• Stainless steel rails and stanchions
• Hydraulic steering
• 12 volt electronics panel

Cockpit

• Molded fiberglass
• Hatches to lazarette, and fuel tank connections
• Scuppers in cockpit and cockpit hatches
• Transom door
• Shoreline electrical inlet
• Engine room ventilation under cockpit coamings
• Dockside water connections
• Down rigger mounts with Cannon down riggers
• Two live-wells with macerator pump
• Raw-water wash down with pool pump
• Custom valve header for live-wells / wash-down system
• Bait freezer
Deckhouse-Salon

- Tinted glass
- Windshield
- Carpeting
- Custom window coverings
- Engine compartment access hatch
- Draperies and valance boards
- Paneled bulkheads
- Sliding side windows
- AM/FM stereo receiver with CD player
- 120 volt duplex electrical outlets
- Steps to galley
- Windshield cover for privacy
- Curved lounge with rod storage beneath
- Built in end tables
- High-low teak table
- 12 and 120 volt light fixtures
- Wet Bar
- 12 and 120 volt light fixtures

Galley

- Vinyl flooring
- High pressure laminate counter tops
- Cheery Wood Paneled bulkheads
- 120 volt refrigerator and ice maker
- Three burner 240 volt electric stove with oven and rotisserie
- Exhaust fan
- Stainless steel sink
- Dish and storage lockers
- Glass rack
- 12 volt duplex electrical outlets
- 12 and 120 volt light fixtures
- Damp chaser in one storage locker
• Opening hatch with screen
• Storage Cabinets

**Master Stateroom**

• Queen berth with storage under berths
• Built-in night stand with drawers
• Carpeting
• Draperies and valance boards
• Hanging locker
• Full length mirror
• Berth lights
• Memory foam mattresses with spreads and pillow shams
• Duplex electrical outlet
• Opening hatch with screen
• Port Hole

**Bow Stateroom**

• Vee berths with storage under berths
• Carpeting
• Hanging locker
• Mirror
• Berth lights
• Memory Foam mattresses with spreads and pillow shams
• Duplex electrical outlets
• Frosted portholes and opening hatch with screen

**Heads**

• Vinyl flooring
• Vinyl wall covering and headlining
• Draperies
• Cabinet with mirror
• 12 and 120 volt light fixtures and 120 volt duplex electrical outlets
• Electric toilet
• Exhaust blower
• Full Stand-up Shower stall with door
• Linen locker
• Retractable clothesline
• Ventilating portholes with draperies
• Mansfield vacu-flush toilet
