Power: 800 hp

Accommodations/Walkthrough

Two Stateroom Layout allowing for expanded closet space in master, tub in master head. Sport Deck features molded fiberglass transom stairway., Hard Top, Dinghy Package, Thruster, Stabilized, and Aft Deck Controls. The aft deck is large enough for it's own Zip Code!

Molded transom steps to large enclosed, air conditioned aft deck. Up convenient steps to air conditioned fly bridge with fiberglass hard top.

Below, Salon and spaces forward very typical of the long established popular 52 layout; lighter texture interior wood, comfortable furnishings, galley and opposite dinette slightly down, light and bright and handy to the Salon. Forward stateroom features centerline berth, private head with separate shower.

Additional Information and Photos

Expansive Master Stateroom with ensuite head, large closet, tub in head.

- Trim tabs with zincs
- Bronze rudders and struts
- Propellers, Nibral high-performance
- Stainless steel propeller shafts
- Boarding gates port and starboard side decks
- Dripless shaft and rudder seals
- DC lights
- AC fluorescent lights
- DC bilge blowers
- Twin diesel, freshwater-cooled main engines with marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, fuel filters and seawater strainers
- One freshwater-cooled diesel generator with sound enclosure, remote start, seawater strainer, hour meter and water lift muffler

Additional Information and Photos

- Fixed fire extinguishing system for engine compartment with automatic and remote manual controls, plus audible and visual discharge signals
- Pressurized freshwater system with 20-gallon electric water heater
- Freshwater fill hose for engines and generator
- Dockside water inlet with pressure regulating valve
- Automatic, electric bilge pumps
- Ball valves on all underwater through-hull fittings with electrical bonding throughout
- UL approved fiberglass fuel tanks
- Sewage holding tank plumbed for dockside discharge with level indicator light, as part of systems monitor
- Fuel filter
- water separator, generator
- Duplex fuel filters
- water separators with bypass manifold, engines
- Fuel priming pumps, engines
- Fuel tank selector manifold with gauges at instrument panel
- Oil changing system for engines and generators
- Painted engine room, polyurethane Electrical Systems
- Two 24 volt banks of heavy duty, 12 volt marine batteries with automatic battery charger, 50-60 Hz - Battery paralleling system with switch at control console
- Air conditioning with reverse-cycle heating
- Two 240 volt, 50 amp, transformer connected fused electrical inlets with cords, one each port and starboard
- AC and DC light fixtures
- AC duplex outlets

Additional Information and Photos

- Battery control panel with fuses and isolation switches
- DC distribution panel with magnetic circuit breakers and battery condition meter
- DC electronics panel with magnetic circuit breakers
- AC distribution panel with magnetic circuit breakers
- AC switching panel with volt meter, ammeter, frequency meter, generator start - stop controls and interlock selector breakers
- Systems monitor with visual and audible signals for exhaust temperature, high bilge water, fire warning in engine compartment, fire extinguisher discharge, AC power loss, smoke detectors, holding tank level and holding tank 3-4 full monitor
- Ground fault protection on AC receptacles and lighting circuits
- Navigation lights
- SSB radio ground screen laminated in cabintop
- Telephone
- TV antenna, omni-directional Flying Bridge
- Molded fiberglass bridge
- Bench seat with vinyl-covered polyfoam cushions
- L-shaped lounge with vinyl-covered polyfoam cushions and storage below
- Stainless steel grab rails and stanchions
- Tinted acrylic windshield
- Control station with all necessary switches and dimmable lighted instruments
- Engine synchronization control
- Two recessed electronics boxes in console with Plexiglas weathershields
- Compass with dimmable light
- Fuel level gauge
- Dual lever clutch and throttle controls

Additional Information and Photos

- Hydraulic steering
- Helmseat and companion seats, both adjustable
- Sliding hatch and door to aft deck
- Stereo speakers with volume control
- GPS
- Plotter, VHF, autopilot, depth and speed finder
- Aluminum radar arch with omnidirectional antenna and anchor light Aft Deck
- Molded fiberglass
- Wing doors
- Hardtop with radar arch
- Steps to flying bridge
- Steps to sport deck
- Fiberglass storage console
- Door to deckhouse
- DC overhead light
- Door to sport deck
- Stainless steel railing
- Aft deck bar with icemaker
- refrigerator
- Stereo speakers with volume control Sport Deck
- Molded fiberglass with non-skid sole
- Freshwater washdown outlet with hose connection
- Molded-in steps to aft deck Deckhouse - Salon
- Wood paneling

Additional Information and Photos

- Carpeting
- Vinyl headlining
- Padded facias with Roman shades and blinds
- U-shaped lounge with storage
- Fixed frameless windows with tinted safety glass
