Vessel Walk Through

Your first step you take onto the "IONA LOUISE", the massive cockpit (192 sq. ft.) is enhanced with a mezzanine to sit in comfort while fishing or just relaxing at the dock, sipping on a cocktail.

There is a ladder to the flybridge which gives access to the enclosed helm.

Entering the slide door from the cockpit into the Salon, there is a huge U-shaped couch to port and a 42" TV to starboard. One step up from the Salon takes you into the Galley/Dinette area.

The Galley to port has every conceivable option, and is laid out to cook a gourmet meal. Custom drawers have been built to house all kitchenware at the utmost convenience.

To the starboard side is a dinette table with wraparound bench seating. Behind the Galley and dinette areas are pantries with ample storage.

Walking downstairs, the companionway gives you access to all 4 staterooms, including the spacious full beam master.
