Manufacturer Provided Description

The Carver 444 Cockpit Motor Yacht combines the superb luxury and spaciousness of an aft cabin with exceptional contemporary styling and thoughtful design. Carver's signature raised walkdeck design also allows for a wider, much roomier cabin than other yachts this size. Combined with the way Carver united the salon and galley into one spacious and elegant "great room", this adds up to outstanding cruising comfort. The expansive great room features all sorts of amenities, from the sumptuous designer decor and UltraLeather sofa, to the beautiful yet practical solid-surface countertops. When it comes to sleeping accommodations, owners will welcome the unexpected luxury of two private staterooms, each with its own private head compartment. On the bridge, passengers can relax with the L-shaped lounge that seats five and the wetbar that provides convenient bottle storage. The elegant aft deck offers a hardtop that covers the entire deck, plus an electronics arch, and the convenience of an integral bridge stairway and wing doors. For even more fun, the large cockpit offers plenty of space to play.

Cockpit

large cockpit area for boarding

sliding door direct to master stateroom

swim platform with ladder, storage locker and davit for tender

freshwater hook up, and wash down

shore power connection
