2018 JULY 4TH PRODUCT VENDOR APPLICATION

Proposals will be reviewed by the City and vendors for the event will be selected based on a number of criteria, including: proposed items, electrical requirements, space requirements, completeness of proposal, quality of items, appearance of stand, adherence to festival rules and references.

Preference may be given to event sponsors, City businesses, uniqueness of product and the order in which proposals are received. All vendors must include a picture of your stand with your proposal. If you are a new vendor you must include a minimum of two references from a minimum of two other events. All non-compliant applications will be returned as incomplete.

When completing an application, please carefully consider the following:

1. Submitting a proposal does NOT guarantee you a space. A vendor permit is a privilege, not a right.
2. Having been accepted in past festivals does NOT guarantee you a space, seniority or any special acceptance privileges.
3. Pre-festival and event sales: Vendor stand setup will take place the morning of the festival. Unless specifically requested and approved, the sale of food is prohibited until the official commencement of the festival.
4. Applications for more than one space: Vendors may submit applications for more than one vending space, providing that the two locations requested offer different menu items. Acceptance of two different vending proposals from the same vendor does not indicate that the stands will be adjacent to one another. Stands will be arranged within a festival or event based upon the nature of the menu items offered. Vendors should make sure they have the resources and staff to operate two vending locations before they apply.
5. Vending Permits are not transferable by sale or trade. If a vendor sells or transfers title to their business after being accepted in a City event, the letter of acceptance and any event permits issued by the City will be null and void.
6. Vendors may only sell the items listed on the application. New items may not be added after acceptance has been granted. Vendors must post prices for all items as listed in the application. Any vendor who does not post this menu or who changes prices from those submitted will be removed from the festival with no reimbursement of vendor fees, and will not be invited to submit proposals for future events.
7. Vendors who fail to comply with incentive agreements will be penalized in accordance with the agreement and not be invited to submit proposals.
8. Accepted vendors must have a valid City of Harrisburg Mercantile License and General Vendor License. Obtaining these licenses will not guarantee acceptance. Vendors that do not vend at other events in Harrisburg are advised to wait until they have been accepted to purchase these licenses.

9. Once accepted, vendors may not increase the size of their vending space, nor bring supply vehicles that require more space. No parking will be available on-site. Please plan accordingly for product storage. All equipment must fit within the space purchased. If, upon set-up, festival staff determines that your operation requires more space than you paid for, you will have to purchase additional space at that time.

10. Leaving prior to festival conclusion: Vendors who have exhausted supplies or are eager to travel, may not leave prior to the official end time of a festival, unless dismissed by the event coordinator(s). Vendors who do not adhere to event published festival vending times will not be invited to submit proposals for future events.

11. Cancellation of festival or festival areas due to weather or emergencies: In the event that severe weather or a declared state of emergency results in the cancellation of any or all festival days or limits festival hours of operation on certain days, **NO REFUNDS WILL BE ISSUED BY THE CITY FOR ANY REASON.**

12. Notification of Acceptance: You will be notified of the status of your proposal after Wednesday, June 1, 2016. Vendor fees must be submitted to the City no later than 10 days after receipt of acceptance. After receipt of fee, no refund of vendor payment(s) will be made to any vendor under any circumstances. All cancellations must be submitted in writing 7 days before the scheduled start of the event. Regardless of the cancellation date, the vendor is still responsible for paying event rent for contracted amount.

13. Front Street Event Traffic Control Rules:

- a. **Once Front Street is closed to Traffic, event traffic shall be limited to accessing Front Street from State St and exiting at Walnut St.**
- b. The Left lane / Fast Lane of Front Street shall remain clear of parked vehicles at all times. This lane is designated as a Fire Lane during events.
- c. The speed limit on Front St and in the Park during event closures shall be 15MPH
- d. From the designated start time until the designated end time of the event vehicle traffic on Front St and in the Park shall be limited to Emergency Vehicles Only. No Vendors will be allowed to move vehicles in the event area during operating hours.

14. Parking Rules:

For safety reasons, **no parking will be permitted on Festival grounds. Trucks, food trailers and support trailers must be un-hitched and parked off-site.** A discounted special event parking rate of \$10 per day will be offered in the Market Square garage. Metered street parking is available at no charge. Please contact the event coordinator (s) at least two weeks in advance of the festival if you require handicapped parking.

15. Tent staking directive

Effective January 1, 2018, the practice of using stakes to secure tents in any City of Harrisburg park, playground or right-of-way will no longer be allowed. All tents used for any event in a City park, playground or right-of-way shall be free standing.
