VENDOR APPLICATION RULES AND POLICIES

1. Submitting an application does NOT guarantee you a space. The City will be accepting a limited number of vendors for this event. Having been accepted in past festivals does NOT guarantee you a space, seniority or any special acceptance privileges. Applications will be reviewed by the City and vendors will be selected based on a number of criteria, including: proposed items, completeness of application, space requirements, appearance of stand, and adherence to rules. Preference may be given to event sponsors, City businesses, uniqueness of items and the order in which applications are received. If you are a new vendor, you must include a minimum of two references from a minimum of two other events. All non-compliant applications will be returned as incomplete.
2. Vendors may submit applications for more than one vending space, providing that the two locations requested offer different items. Acceptance of two different vending proposals from the same vendor does not indicate that the stands will be adjacent to one another. Stands will be arranged within a festival or event based upon the nature of the items offered. Vendors should make sure they have the resources and staff to operate two vending locations.
3. Vending permits are not transferable by sale or trade. If a vendor sells or transfers title to their business after being accepted in a City event, the letter of acceptance and any event permits issued by the City will be null and void.
4. Vendors may only sell the items listed on their application during the listed sell times. New items may not be added after acceptance has been granted. Vendors must post prices for all items as listed in their application. Any vendor who does not post their pricing or who changes prices from those submitted will be removed from the event area with no reimbursement of vendor fees, and will not be invited to submit proposals for future events.
5. Vendors who have exhausted supplies or are eager to travel, may not leave prior to the official end time of the event, unless dismissed by the event coordinator(s). Vendors who do not adhere to event published vending times will not be invited to submit proposals for future events.
6. **Acceptance:** Once accepted, your vendor fees must be submitted to the City by Monday, July 1. If payment is not received by this deadline you risk losing your space to another vendor. All cancellations must be submitted in writing 7 days before the scheduled start of the event. Regardless of cancellation date, the vendor is still responsible for paying their vendor fee for the contracted amount. After receipt of fee, no refund of vendor payment(s) will be made to any vendor under any circumstances.
7. **Licensing:** Accepted vendors must have a valid City of Harrisburg Mercantile License. Obtaining this license will not guarantee acceptance. Vendors that do not vend at other events in Harrisburg are advised to wait until they have been accepted to purchase the license. Contact Licensign Coordinator Janelle Fedock at jefedock@harrisburpa.gov to obtain the application form once accepted.
8. **Parking:** For safety reasons, NO PARKING will be permitted on festival grounds. Support vehicles and trailers must be un-hitched and parked off-site. Metered street parking is available at no charge on Sunday & Monday. Four hours of free street parking is available using the code "LUVHBG" in the ParkMobile App on Saturday. There are also discounted parking rates of \$5 per day on City Island and \$10 per day at the Market Square Garage. Please contact the event coordinator(s) at least three weeks in advance of the festival if you require handicapped parking.
9. **Set-Up:** All vendors must be available to set up during the listed set-up times when the City of Harrisburg event staff is on-site. No tables, chairs, weights, or other supplies will be provided for vendor spaces. The practice of using stakes to secure tents in any City of Harrisburg park, playground or right-of-way will no longer be allowed. The use of ballast blocks, water barrels or other weights is permitted as long as it done safely per the tent manufacturer recommendations. Tents with stakes shorter than 6 inches in length will be permitted. Once accepted, you may not increase the size of your vending space or bring supply vehicles or tent weights that require more space.
10. **Weather:** This is a rain or shine event. In the event that severe weather or a declared state of emergency results in cancellation of any or all festival days or limits festival hours of operation on certain days, NO REFUNDS WILL BE ISSUED BY THE CITY FOR ANY REASON.

11. Traffic:

- a. **Once Front Street is closed to Traffic, event traffic shall be limited to accessing Front Street from State St and exiting at Walnut St.**
- b. The Left lane / Fast Lane of Front Street shall remain clear of parked vehicles at all times. This lane is designated as a Fire Lane during events.
- c. The speed limit on Front St and in the Park during event closures shall be 15MPH
