

HEALTH GUIDELINES FOR THE 2021 ARTSFEST

Be Healthy and Clean

- Face masks and/or face shields are required for anyone over age 2 per local health and CDC guidelines. Entry into the festival area will NOT be permitted for those not wearing a face mask and/or face shield. Face masks must be worn properly covering both the mouth and nose. If eating food in a public place, please respect those around you by staying at least 6-feet away from others in accordance with social distancing guidelines.
- Hand washing stations will be available. Wash your hands with soap and water often for at least 20 seconds each time. Hand sanitizer that contains at least 60% alcohol can be used when soap and water are not available.

Practice Social Distancing

- There will be one point of entry and one exit to the festival area on City Island. All foot traffic will flow one-way around the island to limit cross traffic. Please see the map and follow the traffic pattern accordingly.
- Only one group is permitted in a 10x10 artisan tent at a time. There will be 10-ft of space between all artisans that you may stand in to wait your turn if necessary.
- There will be marks placed 6-ft apart at the food trucks for line formation. Please stand at these marks when in line to ensure social distancing. After receiving your food, exit the line promptly to allow space for the next customer and to keep the line moving.

Limit Contact

- Use a credit card whenever possible.
- No-touch trash cans will be used.
- Staff will clean picnic tables regularly.
