About LOTTE New York Palace

LOTTE New York Palace, a luxury midtown hotel on the corner of 50th & Madison, was acquired by LOTTE Hotels & Resorts on August 28, 2015. Previously, the property completed a \$140 million redesign in the fall of 2013. The renovation transformed the property's premier rooms and suites in The Towers, a hotel-within-a-hotel. Additional upgrades included new lobbies, specialty suites and restaurants and bars including Trouble's Trust, The Lobby Lounge, and Tavern on 51, Rarities and Pomme Palais. In addition to 30,000 square feet of updated event space, The Palace is home to private spaces located in the historic Villard Mansion that feature 19th century interiors and are ideal for lavish weddings, events and dinners. With 909 rooms and suites, The Palace is known for unparalleled splendor, spectacular views, spacious rooms and exquisite service. Located across the street from St. Patrick's Cathedral and only steps from Rockefeller Center -- the hotel's world-renowned courtyard incorporates motifs from several 15th-century Italian cathedrals and has served as the entranceway to the historic Villard Mansion since 1882. LOTTE New York Palace gracefully blends the landmark Villard Mansion with a contemporary 55-story tower.
