## Culinary Excellence

## Experience

One of the most important elements of your wedding celebration is the cuisine. We believe the meal should reflect your personal style and tastes as much as all the other details you have meticulously planned. For this reason, we invite you to sit with us and create a one-of-a-kind menu for your special day.

Our innovative and passionate culinary team is led by Executive Chef Jacques Sorci who is a member of Maitre Cuisiner de France – a designation bestowed only upon 19 chefs in New York and 65 chefs nationwide. The elite members of Maitre Cuisiner de France are selected through a strict review process that takes into account the chef's restaurant experiences, technical expertise, business qualifications and cultural standing in the culinary community.
