BEER SELECTIONS

BUD LIGHT - A light beer in both color and flavor. Lager with a long history as an American favorite.

LAGUNITAS IPA - Ruthlessly delicious and hoppy

BLUE MOON - An unfiltered white wheat beer with a flavor of orange.

SAM SEASONAL - Boston Beer Company's four seasonal brews
Alpine Spring, Summer Ale, Oktoberfest, Winter Lager.

MAYFLOWER I.P.A. - Brewed in Plymouth, MA. This beer has a powerful Hop profile balanced by plenty of malt character.

CAPE COD RED - A well-balanced amber ale with caramel and toffee malt notes and a subtle spicy hop character.

CAPE COD BEACH BLONDE - Brewed here on Cape Cod, a very drinkable golden ale with a hint of toasted malt character and a clean finish.
