

BAR OPTIONS

The following guidelines are offered to assist you in your planning.
Estimations on hosted beverage service available. Please contact the Catering Department.

FULL HOSTED BAR – You host the bar for the entire function. The bar is fully stocked with house and premium brand liquor, domestic beer and imported beer, wine, champagne splits, soft drinks, juices and mineral water. A predetermined dollar amount would be estimated and pre-collected prior to your event. If the pre-estimated dollar amount is not reached by the end of your event, the difference would be refunded. If you reach the pre-estimated dollar amount before the end of your event, you would be notified by the banquet manager and you would determine if you want to continue to host the bar.

CERTAIN ITEMS HOSTED – You host certain items behind the bar, for example bottled beer, wine and soft drinks only, all other beverages would be paid for by your guests. A pre-determined dollar amount would be estimated and pre-collected. You would be notified if you reached the pre-collected dollar amount before the end of your event.

FULL HOSTED BAR FOR A SPECIFIED AMOUNT OF TIME – You decide how long you want to host the bar, ie. one hour, two hours, etc. and then the bar becomes a cash bar where your guests would pay for their own drinks. A predetermined dollar amount would be estimated based on the amount of time you want to host the bar and pre-collected prior to your event. You would be notified if you reach the pre-collected dollar amount prior to the designated time you have decided on.

FULL HOSTED BAR TO A CERTAIN DOLLAR AMOUNT – You decide on the dollar amount you want to host at the bar. When and if the bar reaches that dollar amount you can decide to stop hosting the bar or continue to host the bar to a higher limit. The banquet manager will let you know when you get close to reaching the designated amount.

HOST SPONSORED HOURLY BAR – Charged “per person” per hour for a maximum of three hours. The bar is fully stocked with house and premium brand liquor, domestic and imported beer, wine, champagne splits, soft drinks, juices, and mineral water.

FULL CASH BAR (NO HOST BAR) - The bar is fully stocked with “house” and “premium” brands and your guests pay cash for their own drinks.
