**Team Maureen Hosts 5th Annual Run 4 Your Life and
Women's Cancer Awareness Expo**

At the start of National Women's Health Week on May 7th, Team Maureen will celebrate women everywhere with the family-friendly Run 4 Your Life and Women's Cancer Awareness Expo. The event will bring participants of all ages and fitness levels together for a four-mile run, two-mile walk/run and kid's beach dash to benefit Team Maureen, a non-profit launched by West Falmouth resident Eileen Duffey Lind in memory of her sister who died of cervical cancer at age 37. Proceeds support Team Maureen's cervical cancer and HPV prevention and education programming.

The Run 4 Your Life course begins and ends at the Sea Crest Beach Hotel in a loop that takes participants past the beautiful scenery of historic North Falmouth. The free Women's Cancer Awareness Expo, generously sponsored by Cape Cod Health Care, opens at 8 AM at the hotel, and offers attendees informational tables on a variety of topics. Following the run, stay and enjoy a cookout while kids have fun with activities on the beach.

Same day registration closes at 9:15 AM, and discounted pre-registration is available at www.Active.com.

For more information, visit www.TeamMaureen.org or contact Eileen Lind at 508-221-4024.
