WHITE WINES BY THE BOTTLE

Light, racy white wines that are clean and bright

If you are looking for a refreshing, easy-drinking white wine, you are in the right place. This is the wheelhouse of Greek white winemaking. Traditionally Greeks love their white wines in this style to accompany their cuisine. These wines sing when paired with seafood.

Medium-bodied and aromatic white wines

So this is a tricky category. A good tricky. Mainly because even when Greek white wines are medium bodied they keep the same clean, racy finish that is a hallmark of all Greek wines. On the mid-palate these wines certainly have richness along with being lush and sexy, yet are never too heavy or ponderous. ...

Full-bodied, sumptuous white wines

Here are the decadent, opulent whites that make you have naughty thoughts. Once uncommon in Greece, there were at first few full-bodied wines from Greece because Greeks traditionally liked their white wines very light to go with their largely vegetable and seafood based cuisine. There are now a wide range of glorious, full-bodied wines that remain truly Greek, yet satisfy a modern desire for the big and bold.

Light, graceful and refined red wines

Always maligned, never appreciated for their amazing versatility, light red wines are such great matches with a wide range of food. Greek light reds, in particular, do this brilliantly. Stunning aromatics, soft red fruit flavors and supple tannins make these wines so delicious.
