

Giving at Heritage

On-line Giving **Instructions**

Any donor with a Heritage Donation Account Number can make a donation on-line through their financial institution using their on-line banking bill payments feature.

Your Heritage Donation Account Number is the same number present on distributed pre-printed donation envelopes. For any one or two digit donation numbers such as “8” or “15”, donors should use “008” or “015” as their 3 digit Heritage Donation Account Number.

If you’re not sure of your 3 digit donation account number, or don’t have a number yet and wish to have one assigned, please email giving@heritagealliance.ca or contact the Church Office at 604-607-5031.

Instructions to set up Online Payee with your on-line banking provider:

1. In the bill payments area of your online banking website, please select: Add Payee. Payees can usually be searched for by payee type or alphabetically. Heritage is likely listed as a “miscellaneous” payee type and is titled: “Heritage Alliance Church”
2. After selecting Heritage Alliance Church, you will be required to enter an “Account Number.” Online Account Numbers are structured as follows:

###AAAA - with “###” representing your 3 digit Heritage Donation Account Number and “AAAA” representing a 4 character Fund Code.

The 3 digit Heritage Donation Account Number is your current 3 digit church donation account number. The 4 character Fund Code allows you to directly specify where you’d like your donation to be allocated to. We’re recommending each online giver sets up all 4 “account numbers” for Heritage right at set up so they can easily choose which fund to give towards. Assuming a donor’s donation code is 015, these accounts would be set up as follows:

015GENM - General Ministries
015MISS - Missions Fund
015BLDG - Building Fund
015CARE - Care Ministry
015MENM – Men’s Ministries

Once these “Account Numbers” have been set up for Heritage Alliance Church, you’ll be able to start making donations to Heritage right away. Your financial institution will process these payments in the same manner as any other online payments you process.

If you have any difficulties setting up your accounts or have any questions concerning giving at Heritage, please email: giving@heritagealliance.ca or contact the Church Office at 604-607-5031
