

We encourage you to prepare your heart in preparation for joining a group of people to share your *dreams, visions, and future* for Heritage Alliance Church. This guide will help you focus, aid you in formulating your input, synthesize other's contributions, and give you an open spirit to hear from God. You may want to pursue alternate preparation methods, regardless, join the gathering in a Jesus centered mind and heart.

## reimagining your potential

Now to the God who can do so many *awe-inspiring things, immeasurable things*, things greater than we ever could ask or imagine through the power at work in us...(Ephesians 3:20)

### **Think for a moment:**

- \*there is more to life than you are currently experiencing
- \*God can do it all
- \*when have you been in awe?
- \*you cannot count or measure what God does
- \*there are things greater than you
- \*it happens thru the Spirit's power, not yours
- \*He chooses to work in you
- \*other thoughts:

**Take a moment to recall:** "awe-inspiring things, immeasurable things, things greater" than you ever asked or imagined – that God has already done in your life

**Now take a moment to consider:** those "things" that God is currently doing in and around you

**Now take a moment to ask:** ask God for more, for his power to work in you

*God what would you like to do in me?*

*God what would you like to do in & through HAC?*

# reimagining our potential

After a time of personal reflection, beginning to embrace the idea of reimagining potential in your life, let's shift our attention to our community of faith. The following process can be a personal journey, but it is *better with someone*. Try and walk through this in a group of 3. *We are moving from "I" to "we"*.

## The how to's:

1. Read the scripture
2. Answer one or more of the questions
3. Pray the application prayer
4. Move to the next area

## Our present reality (Confession) (10min)

*Luke 11: Forgive us our sins, for we also forgive everyone who sins against us.*

Check in, how did you come to this time today?

What are your observations from the HAC culture book?

Describe your present experience with God

Describe your present engagement at HAC

Heavenly Father, I confess \_\_\_\_\_ as my sin. I repent of it and ask you to forgive me.

## Confess on behalf of HAC

### Thank God for the present reality of HAC

## Healthy relationships (Forgiveness) (10min)

Is. 61: The Spirit of the Lord, the Eternal, is on me.

*The Lord has appointed me for a special purpose.*

He has anointed me to bring good news to the poor.

He has sent me to repair broken hearts,

And to declare to those who are held captive and bound in prison,

*"Be free from your imprisonment!"*

<sup>2</sup> He has sent me to announce the year of jubilee, the season of the Eternal's favor:

Express God's forgiveness in your life

How do you need forgiveness?

Praise for forgiveness someone has extended to you

How do you need to forgive someone?

Heavenly Father I forgive \_\_\_\_\_ for \_\_\_\_\_ and release them from guilt

### **Health in me** (Inner Healing) (10min)

*Ps. 34: The LORD is close to the brokenhearted  
and saves those who are crushed in spirit.*

When have you witnessed or experienced healing?

What is your need for healing?

Where have you observed the need for healing?

Heavenly Father I need your healing touch in \_\_\_\_\_

Good Father heal \_\_\_\_\_ at HAC

### **Living free** (Freedom in Christ) (10min)

*John 8:36 So if the Son sets you free, you will be free indeed.*

What has been your greatest season of freedom?

Where are the chains or bondage you observe?

Where are you bound in your life?

Jesus, set me free from \_\_\_\_\_, and I receive your peace

Jesus, set HAC free from \_\_\_\_\_ and give us your peace

It is time to move into a listening posture, refer to the opening scripture and meditation, and dream with us.  
Record your observations, thoughts, images, dreams & desires...

## **reimagine our potential**

**Personal Listening** – What is God doing? What is he saying? How can we join him?

*John 10: My sheep listen to my voice; I know them, and they follow me.*

Now plan on attending one or more of the listening times that will be offered to you and join your listening together with others at HAC. We will look at trends, agreements, common thots, dreams, desires...like mining veins of gold. We want to hear what God is saying to us a body of believers, and discern his call on our church family.
