

Michigan Arson Prevention Committee

Mobile Home & Boat Live Burn Seminar

**April 29, 2016
8:30 am - 4:00 pm**

This one day seminar is intended for insurance personnel, fire & police officials and any person involved in the investigation of mobile home or watercraft fires. It will focus on incendiary and accidental fire causes. There will be a live burn involving mobile homes and watercraft. A classroom session will be dedicated to construction. This seminar will be approved through the Michigan Bureau of Fire Services and Fire Inspectors will receive CE points for attendance. Police officers will also receive MCOLES credit for attendance.

Students should wear proper clothing, including safety equipment for conducting fire investigations. It is also recommended that you bring a lawn chair.

The instructor will be from the Michigan Arson Prevention Committee & Michigan Chapter IAAI
