

Small Town Summit Scholarship

We want everyone who wants to attend our upcoming Small Town Summit to be able to, so this year we will be offering a registration scholarship to attendees. Scholarship preference will go to existing small towns, or communities that have expressed a desire to join the Small Town program. Depending on financial need, we will offer partial or full scholarships to cover registration fees.

How to apply:

- Submit the following application by **Monday, May 20**.
- We will evaluate all applications, giving first preference to HandMade members.
- After all scholarships are evaluated, we will notify scholarship recipients of their award by **Wednesday, May 22**.
- If we don't reach our budgeted scholarship funds, the remaining funds will be distributed to applicants
