### Tie-Breaking Procedures

Ties in winning percentage, and thus for bracket and seeding positions shall be broken according to the following formula:

- All ties will be broken in the order in which they occur, from top to bottom, in the standings.
- Only regular-season Horizon League games, exclusive of tournament and/or exhibition games, will be used in the tie-breaking formula.
- When comparing tied teams against positions LOWER in the standings which are also tied, those LOWER TIED POSITIONS shall be considered as a SINGLE POSITION for purposes of comparison. (Example: Team A and Team B tied for second would compare against Team X and Team Y tied for sixth as follows:

Team A would compare its combined record against BOTH X and Y against Team B's combined record against BOTH X and Y).

- If two (2) tied teams met twice during the regular season and one (1) of the two (2) won both games, the winner shall be awarded the higher position and/or the tournament berth.
- If two (2) tied teams split during the regular season, compare each tied team's record against the team occupying the highest position in the standings and continue down through the standings until one team gains the advantage, thereby winning the higher position and/or the tournament berth.

(f) If three (3) or more teams are tied, compare the combined record of each of the tied teams against the other teams involved in the tie until an advantage is gained (Example: Team A's combined record against both Team B and Team C ....as compared to Team B's combined against both A and C, etc.).

(g) If the provisions of (f) above fail to resolve a tie involving three (3) or more teams, compare each of the tied teams' records against the team occupying the highest position in the standing and continue down through the standings until the tie is reduced to a two-team tie (at which time revert to items (d) and (e) above) or until the tie is broken.

(h) If the above provisions fail to resolve a tie, a coin flip, conducted by the Commissioner, shall be used to determine seeding positions.

### Awards & Honors

The Horizon League's annual individual awards will be voted upon by each of the nine head coaches and selected members of the media following the last game of the regular season. The following awards will be presented:
