

Submission Checklist

You can use this list to carry out a final check of your submission before you send it to the journal for review. Please check the relevant section in the [Instructions to Authors](#) document for more details.

Ensure that the following items are present at submission:

If your manuscript is any type of health research

___ **appropriate EQUATOR reporting guideline, if applicable.**

On your Cover letter:

___ addressed correctly for the Editor-in-Chief and Brazilian Journal of Anesthesiology (BJAN);

___ focused on the novelty and value of the author's work, the relation to the scope of BJAN, and stating why the editor should consider the article for publication;

___ declares that the article was not previously published (or if it was published as preprint or academic work);

___ declares all conflicts of interests and/or funding your study may have received, if none, please also declare;

___ indicates the count of words, tables, and figures of the manuscript submitted.

On your Title page:

___ The actual title and the running title;

___ Names, affiliations, ORCID and contributions of all authors;

___ designates the corresponding author with contact details (e-mail; professional address; ORCID);

___ Copy or link for the Institutional Research Board approval of the submission, if applicable;

___ The link for the study registry, if applicable.

On your Manuscript*:

___ abstract including 6 keywords;

___ manuscript including references;

___ All references mentioned in the Reference List are cited in the text, and vice versa;

___ all figures and tables, placed after the references (captioned, all fig.+tab. citations in the text match the files provided);

___ supplemental files (where applicable);

___ Manuscript has been "spell checked" and "grammar checked".

(*mind the maximum of words allowed on your abstract and manuscript, also, the maximum number of tables + figures and references for the category of work submitted)
