

How to sign up with Great Lakes Scrip (GLS)

1. CONTACT scrip@McDonaldpta.org to obtain the enrollment code. For security purposes, we cannot post the enrollment code online.
2. Once you have the enrollment code, go to <https://www.shopwithscrip.com> and click the **Register** button on the top right.
3. Then click **Join a Scrip Program** on the left.
4. Enter enrollment code **9D21743538263** and click **register**.
5. At the **Family Registration** screen, complete steps 1 through 5.
 - **Step 1:** In the "username" field, it's best to go with your email address
 - **Step 2:** Create and confirm a password
 - **Step 3:** Enter your account information
 - Use your real name (as opposed to an alias) so that we can approve your orders when you make them.
 - The Student and Teacher info are important so we can verify you:
 - a. in the "Student Name" field: your child's last name if it's different than yours
 - b. in the "Teacher Name" field: your child's afternoon teacher's name
 - **Step 4:** Enter and re-enter your email address
 - **Step 5:** You will be asked to select two challenge questions and to save the answers for each. (Jot down these two questions and answers in a separate location—like a Notepad document or a saved draft email.) After you complete this step, the **Join a Non-Profit** screen will display.
6. Click **SHOP** and order cards and then click on **cart**. You will have to bring a check to the scrip coordinator before any order can be processed unless you sign up for PrestoPay.
7. Sign up for PrestoPay (Great Lakes Scrip's in-house version of "PayPal") to enable faster service (such as getting eGift cards (*i.e.*, ScripNow!) minutes after you order them) and reloading options (such as putting more cash on any existing cards that you purchase through Great Lakes Scrip). If you do not sign up for prestopay, you will have to submit a check to the coordinator before your order is processed.

To sign up for PrestoPay:

- a. Click **Dashboard**.
- b. Choose **PrestoPay** at bottom right. The **PrestoPay™** page displays.
- c. Click **Yes and I Agree** to agree to the terms of PrestoPay (provide your bank account and routing information).

NOTES

- After you sign up for PrestoPay, you'll have to wait a few business days for two small deposits to appear in your bank account. Check your bank account online; when those two deposits appear in your bank account, you can complete the verification process for PrestoPay.

After you complete the verification process, you'll get an approval code that you'll need to forward to your scrip coordinator for final approval.
- When you participate in PrestoPay, you're charged \$0.15 (fifteen cents) per debit transaction to cover the cost of ordering a gift card using PrestoPay.
- If your payment to PrestoPay is ever returned or rejected for any reason, you'll be charged a bank charge of \$30.

**If you would like to have “cards” on your mobile device, you must have PrestoPay. Then, you can use MyScripWallet. Go to www.myscripwallet.com on your mobile device. It is a mobile website, not an “app”. Enter in your same username and password that you use at www.shopwithscrip.com.

Even if you are using PrestoPay, the *physical cards* will still be ordered by McDonald Int’l school every other Monday. However, for ScripNow or MyScripWallet or ReloadNow, you can have instant gratification if you use PrestoPay.
