

Carpentry & Maintenance

Previous experience in a similar position required

JOB DESCRIPTION

We're looking for a skilled and hardworking person to help keep our lodge running smoothly and efficiently. This person will perform a variety of tasks for the general maintenance and operation of the lodge.

Our ideal candidate should be well organized, have great communication skills, and have superior "fix-it" skills in an environment where you can't just run to Home Depot. Advanced level carpentry experience preferred.

JOB SKILLS & REQUIREMENTS

- Skilled in using electrical and motorized equipment and measurement tools safely
- Ability to improvise, conserve materials, problem solve, think "outside the box," have forethought and know how to plan ahead in a remote environment
- Basic knowledge of engines, such as water pumps or 4-wheelers
- Ability to change the oil on basic engines
- Basic knowledge of plumbing and electrical
- Understanding that every piece of material has value
- Attention to detail and pride in their work
- Manual dexterity and ability to lift heavy items such as lumber, cement, etc.
- Good understanding of basic math
- Willingness to follow safety guidelines and take directions from superiors
- Basic carpentry skills
