Hello,

Beautiful.

Already trending.

Spindrift Marble in Carrara soft launched in December 2018 and has already graced the pages of design publications.

Instant classic.

The timeless quality of material combined with an Island Stone original design is a new take on classic design.

Introducing

Spindrift Marble

a marble pebble by Island Stone.

Play with gray.

Accent clean whites with a range of gray hues present in natural marble.

03

Go big (at home).

Think bold feature walls, in a great room, entryway or bathroom.

04

We have a gift for your

creative prowess.

Island Stone®

Spindrift Marble

With versatile features like clean grout line, uniform edges, and a smooth flat surface, Spindrift Marble is both elegant and practical. The sculptural white and gray marble is stunning in both classic and modern environments.
