

August 20, 2019

Dear Valued Customer,

This letter certifies that CERACLAD panel products **do not** contain any intentionally added Red List ingredients. This includes, but is not limited to:

- Chromium Lead Silicate
- Lead Silicate
- Lead Fluorosilicate
- Cadmium Hexafluorosilicate
- Epichlorohydrin-bisphenol A resin
- Urea Extended Phenol-Melamine Formaldehyde Resin
- Phenol-Resorcinol-Formaldehyde Resin (Prf)

KMEW USA Inc. is committed to providing innovative, durable, and sustainable products to the North American Market. For additional information or questions regarding material ingredients or testing, please contacts the KMEW USA Technical Department.

Sincerely,

Lindsey Hannah

Technical Coordinator
