MARBLE SYSTEMS

amelia

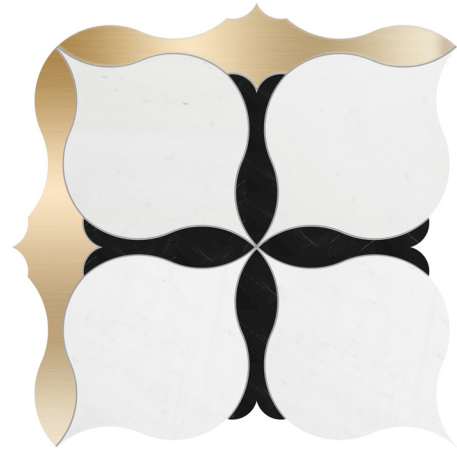

This is luxury, set in stone. A modern take on an ancient idea, Amelia Waterjet combines the precision of modern technology with delicate shapes for a clean, graphic result. Luxurious yet resilient materials - marble, limestone, burnished brass – combine to create an overall effect that is so much more than the sum of its parts. Suitable for all residential and commercial interior horizontal and vertical applications. Made to order.

Usage

- | | |
|---|---|
| ☒ Bathroom Walls | ☒ Residential Interior Floors |
| ☒ Commercial Interior Floor | ☒ Residential Interior Walls |
| ☒ Commercial Interior Walls | ☒ Shower Floors |
| ☐ Residential Countertops | ☒ Shower Walls |
