mystique

The Mystique Decorative Marble Collection is our handmade custom natural stone and glass mosaic and waterjet deco collection. Drawing upon the rich decorative histories of Far Eastern, Mediterranean, and gothic designs, it delivers understated opulence.

We creatively crafted this collection using the unique blend of mother of pearl, glass, and polished Thassos and White Carrara marble. Such an unusual blend of materials is sure to become the striking focal point of any room. Each piece is delicately handcrafted. These mosaics have delicate arabesque shapes and ombré motifs that will imbue any room with a mystical ambience.

The Mystique Decorative Marble Collection is fully customizable. It's suitable for all interior wall and floor applications residentially or commercially.
