calacatta green

Go bold with our beautiful Calacatta Green Honed marble collection. Rich with gold and green veining contrasted with a white background, this marble collection is an absolute stunner. Calacatta Green Honed collection offers various mosaic shapes and a few tile options including a fluted tile for a great accent piece on any wall. Pair the tile and mosaics together or alone, either way it will be the center piece in any design. Applicable for both residential and commercial projects.

V3 - Moderate Variation :

While the colors present on a single piece of tile will be indicative of the colors to be expected on the ther tiles, the amount of colors on each piece may vary significantly. For example " that little bit of color " on one piece of tile may be the primary color on the next piece.
