There's stone. And then there's statement stone. Bold lightning veins of the most marvelous and regal purple hue go getting through this pristine white stone, making it highly dramatic as a field tile, especially the expansive 12" x 24" rectangles. But cut into mosaics, it creates a luscious tapestry of white, grey and deep lilac that feels soft and strong all at once. This is the kind of stone that makes you feel as if you're falling in love. With its discreet honed finish, it's a surface that confers timeless grandeur upon any space.

Usage

- Residential Interior Floors / Walls
- Commercial Interior Floors / Walls
- Shower Floors / Walls
- Backsplash

V3 - Moderate Variation: While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the number of colors on each piece may vary significantly. For example "that little bit of color" on piece of tile may be the primary color on the next piece.
