FACTS YOU SHOULD KNOW ABOUT LGBTQ YOUTH

Families
Not Accepting

HOME:
33% of LGBT youth say their family is not accepting of LGBT people.

2X

SCHOOL:
LGBT youth are more than 2x as likely to be verbally harassed/called names at school.

COMMUNITY:
63% of LGBT youth say they will need to move to another part of the country to feel accepted.

The deck continues to be stacked against young people growing up LGBTQ in America. The impact of family rejection, bullying and daily concern for safety weigh heavily on our youth. By engaging a broad audience of youth-serving professionals, we can create a thriving LGBTQ youth population.

Time to THRIVE provides a "one-stop-shop" opportunity to build awareness and cultural competency, learn current and emerging best practices, and gather resources from leading experts and national organizations in the field. More exciting keynote speakers and special guests will be announced soon!
