Dear valued broker community,

**Based on current market conditions, Prospect Mortgage / Metrocities Mortgage, LLC, has elected to exit the Wholesale lending space.**

Today's ratesheet will be the last ratesheet we publish. We will be accepting locks thru the end of business today October, 15th, 2008, and will work to close our existing locked pipeline, as smoothly as possible.

We regret any inconvenience this may cause. Thank you for your support.
