Strengthen Your FOURTH DAY

For most of us, Walk to Emmaus program ministries are mountaintop experiences that we want to hold on to longer than three days.

How do we sustain that excitement and take it back into our daily lives?

In [this catalog](#), Upper Room Books presents resources available to support you in your Fourth Day. The resources are organized around the 15 talks you hear during your Weekend or Encounter. Our goal is to help you renew your commitment and to support your Christian walk with books that encourage prayer, study, and Christian action.

Reach More Young Adults

Throughout the remainder of 2015, we will test a new program in the Emmaus tradition for 18 to 35 year olds—Journey to the Table. We expect this new offering to be available to all communities in 2016. We ask you to pray with us, and to invite your communities to pray for these test sites and for the launch of this exciting new ministry.

Interested in receiving updates on Journey to the Table test sites and launch dates?

SEND Agape to Face to Face Encounters

Face to Face Encounters begin across the country this August!

Support these Encounters, which are an experience of God's grace and agape love rooted in the Emmaus tradition but specifically crafted to meet the needs of older adults, by presenting agape from around the world.

Please invite your communities to send an agape greeting, as well as to be in prayer for these [upcoming Face to Face Encounters](#). (Click the blue text to see a list of the upcoming Encounters.)

When crafting your community agape, keep in mind that Face to Face is a co-ed experience and referred to as an Encounter.

Thank you for supporting our sisters and brothers in the Love of Christ!

Jesus answered them, "Go and tell John what you have seen and heard: the blind receive their sight, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, and the poor have GOOD NEWS brought to them!"
