

**City of Ingleside
Fire Department**

*****For Immediate Release*****

On 2 November 2017 the Consumer Product Safety Commission (CPSC) and Kidde Corp. announced a recall of affecting 40 million fire extinguishers manufactured between 1973 and August 2017.

The Ingleside Fire Department urges all citizens to visit either the Kidde or CSPC websites for information on the affected extinguishers. (see links below)

If you have any questions feel free to contact the Ingleside Fire Department at (361)776-7115 for more information or assistance.
