

Press Release

Ingleside Development Corporation

Façade Improvement Grant Program (FIGP)

The Ingleside Development Corporation (IDC) has announced the availability of the newly created Façade Improvement Grant Program (FIGP). The FIGP was developed to provide grants to Ingleside businesses in order to improve the appearance of their buildings and property. These grants are targeting improvements to the front of the building and property that faces the street.

The maximum amount that may be received is \$5,000 and must be matched, dollar for dollar, by the business. Eligibility includes a business within Ingleside City limits, up-to-date on all municipal taxes and the property must be free of any City liens as well as obtaining any required permits and compliance with building and zoning requirements.

Funds may be used for a variety of exterior improvements such as window replacement, painting, lighting, awnings or canopies, parking lot improvements, new sidewalks or repair, streetscape infrastructure and signage. Applicant has ninety (90) days to complete the improvements

The complete FIGP guidelines and application are available online at the City of Ingleside website www.inglesidetx.gov or you may pick up an application from Melissa Byrne Vossmer, City Manager / Executive Director of Ingleside Development Corporation at Bay Vista Center 2334 Hwy. 361, Suite 162, Ingleside, Texas or may call 361-776-2517.
