

SPECS

VALOR (SPEC)

SPEC TRACKER (DB) , THE SPEC MARKET (DB) ON AUGUST 7, 2019

Title:	VALOR
Logline:	A young female graduate of Army Ranger School is just belligerent enough to get herself assigned the worst detail of all, Open Skies Surveillance Mission. What she thinks will be a boring, by the books, USA/Ukraine military flight over the United States turns into something with much greater consequences when the surveillance plane is taken hostage and the fate of her colleagues, the plane and the United States is put at risk.
Writer:	Luke Goltz & Max Yaney
Genre:	Action Thriller
Agency:	Paradigm Martin Spencer, Valarie Phillips
Management:	Artillery Creative Tom Carter
Details:	Goltz and Yaney appeared on the Hit List with their script <i>Smoke</i> . In addition, the duo wrote <i>Stones</i> .
Updates:	(8.7.19) This spec hits the market today!
