## Over 18 Membership Application & Waiver of Liability

Last Updated 17/06/2015

Thank you for purchasing membership of i-Team.cc via British Cycling. Information regarding your address, email address, telephone number and next of kin details etc. has now been automatically added to our British Cycling club management database.

Please ensure that the information displayed on your British Cycling Membership Profile at [https://www.britishcycling.org.uk/dashboard#My\\_Account](https://www.britishcycling.org.uk/dashboard#My_Account) is always up to date, as this is important if we need to contact you and could be vital if we need to contact your next of kin in an emergency.

i-Team aims to be as friendly and as informal a cycling club as possible but in the interests of the existing organisation and membership, it would be irresponsible for us not to require some additional information from you. This is in line with [British Cycling](#) guidelines and current best practise. The information is kept in confidence and will not be disclosed to other parties, with the exception of some parts of section 3 if you so decide. *If you require anything in section 3 to remain confidential, please state the reason (e.g. 'I am a Police Officer – please do not disclose')*

Additionally, in this litigious age, we need you to sign a disclaimer and a waiver of liability – this is in the interests of all members and club officials.
