

Health Plans

Insurance solutions, designed for Hoosiers.

IU Health Plans is partnering with employers like you to lead Indiana toward health and wellness. Our network is embedded with IU Health providers, giving employees access to the most highly skilled doctors in the state, leading-edge treatment and better pricing on inpatient care. **We also save employers an average of 17% with some saving up to 25% on premiums.** And, as a community health partner, we're developing programs that get to the heart of the issues affecting health outcomes for Hoosiers.

HIGHLY SKILLED CARE

Convenient Access to Leading-edge Medicine

Statewide access to more than 50 facilities and 13,000 unique providers through Indiana's leading healthcare system, IU Health—plus strategically selected healthcare providers including Community Health, Deaconess, American Health Network and more.

Members have access to Indiana's most highly skilled network of board-certified family medicine physicians, internal medicine physicians and pediatricians.

Part of IU Health, Indiana's most preferred healthcare provider.

PROVEN SAVINGS

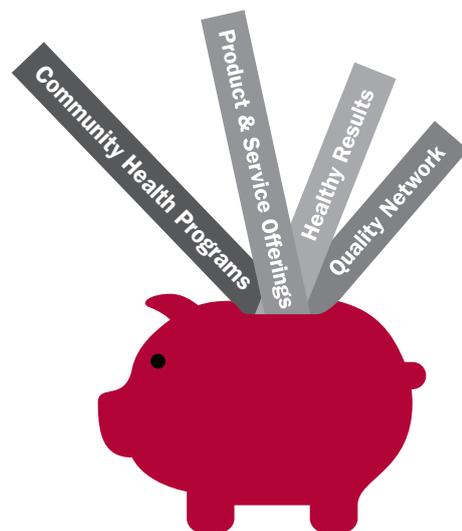

Cost-management is built into what we offer.

Our community health programs are designed in collaboration with a highly skilled team of IU Health clinicians.

Better pricing on inpatient care at IU Health facilities, leading to savings for employees and employers.

Access to the state's top doctors—with lower premiums—through our IU Health Select network, which saves employers an average of 17% on premiums compared to our other network options.

Billing education for employees, including the IU Health Patient Cost Estimator, which gives employees a better understanding of potential billed charges from IU Health.

BETTER OUTCOMES

We're a partner in improving Indiana's overall health.

We have a deep understanding of Indiana's community health risks, needs and opportunities, and can partner with employers to address specific healthcare needs.

Healthy Results,[®] a comprehensive health and wellness program nationally recognized for their commitment to exceptional corporate wellness programming while successfully demonstrating a positive impact on member outcomes. Fully insured, large group employers who participate in Healthy Results may be eligible for a two-year premium rate lock.

Business Solutions that provide all members with convenient access to video visits and urgent care locations. Additional solutions may benefit larger companies, such as near-site and on-site clinics.

YOUR COMMUNITY HEALTH PARTNER

No one understands Indiana better than IU Health Plans.

By partnering with employers like you to bring fresh thinking to healthcare, we believe Indiana can become one of the healthiest states in the nation.

Fresh thinking. Better outcomes. Proven savings.
We bring it all together.
