

Updating the QSC GXD 8 Firmware to update the GXD 8 firmware to version 1.1.11.

- 1) Download the QSC firmware updater file (GXD_Updater_V1.1.11.exe) from the James website, on the GXD-8 product page, under the download tab...

<http://www.jamesloudspeaker.com/products/236>

or from the QSC website...

<https://www.qsc.com/resources/software-and-firmware/gxd-firmware-updater/>

- 2) Run the firmware updater software, the following instructions should appear.
